U.S.A. vs. Trevon Christopher Jones

Docket No. 4:15-CR-5-1FL

Petition for Action on Supervised Release

COMES NOW Jay Kellum, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Trevon Christopher Jones, who, upon an earlier plea of guilty to Felon in Possession of Ammunition in violation of 18 U.S.C. §§ 922(g)(1) and 924(a)(2) and Felon in Possession of a Firearm and Ammunition, in violation of 18 U.S.C. §§ 922(g)(1) and 924(a)(2), was sentenced by the Honorable Louise W. Flanagan, U.S. District Judge, on July 7, 2015, to the custody of the Bureau of Prisons for a term of 57 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 36 months.

Trevon Christopher Jones was released from custody on May 17, 2019, at which time the term of supervised release commenced.

On July 3, 2019, a Violation Report was submitted to the Court advising Jones had contact with a convicted felon, had provided a positive urinalysis, and was charged with the new criminal conduct of No Operator's License. On July 8, 2019, the Court approved the violation report.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS
FOLLOWS:**

On May 24, 2019, Jones was placed into the surprise urinalysis program (SUP). As such, all the rules and conditions of the program were explained, and he signed acknowledging his understanding. On July 18, 2019, Jones failed to report for his required SUP urinalysis.

On July 23, 2019, Jones committed, and was charged with, the offense of No Operator's License, by the North Carolina State Highway Patrol. Further, it was discovered that Jones' two passengers in the vehicle were Omar Dequan Thomas and Charles Shamar Crawford, both of whom have prior felony convictions.

On July 26, 2019, the undersigned met with Jones to discuss his violation conduct. Jones admitted he didn't call the surprise urinalysis hotline, instead relying on his ex-fiancé to call for him and tell him when he needed to report. Jones was instructed that going forward from July 26, 2019, he is to call himself. Jones was again provided with the telephone number. In addition, Jones was asked why he choose to drive, knowing he isn't properly licensed to do so. Jones stated he didn't have a ride to work and instead of not reporting for his shift, he chose to drive. Jones alleges Mr. Thomas and Crawford are work associates who simply needed a ride. Jones states he had no knowledge of their past criminal history. As such, Jones was again instructed, that going forward from, July 26, 2019, he is to have no contact, outside of work interactions, with either Mr. Thomas or Mr. Crawford.

As a sanction for his current violation conduct, the U.S. Probation Office respectfully request his term of supervised release be continued, with the modification of having to perform 10 hours of community service as directed by the probation office and if referred for placement and monitoring by the State of North Carolina, pay the required fee. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.
